	162113044.1		

Plaintiff Lauri Valjakka ("Valjakka") respectfully submits this Unopposed Motion to Amend Case Schedule.

On January 10, 2023, the Court entered the Case Schedule.¹ Good case exists to amend the schedule. The parties have been working to conduct fact discovery and schedule fact witness depositions, but additional time is needed to complete the process. The parties anticipate that providing an extension of <u>four additional weeks</u> should be sufficient to complete fact and expert discovery, as indicated in the proposed Amended Case Schedule provided below. The proposed extension therefore would not cause prejudice to either party and is in the interest of justice.

Additionally, although the proposed Amended Case Schedule involves shifting the summary judgment / Daubert briefing (including Opening, Response, and Reply) deadlines by two weeks, the parties' proposal does not impact the Court's previously scheduled hearing date on the summary judgment / Daubert motions, the pretrial conference date, or the trial date.

Current Date	Proposed	Description
